

# MT-4008A

Specification	Tablet (MT-4008A)
CPU	ARM CPU, 4Core,1GHz
OS	Android 4.4
LCD	8" 1280X800 WXGA 16:10 Color TFT-LCD with LED Backlight
Brightness	300 nits
Touch input	Projected Capacitive touch, supporting multi-touch
Memory	1GB DDR3L SDRAM
Storage	8GB NANDFLASH
Wireless connectivity	IEEE 802.11abgn+BT 4.0
Camera	5MP
Speaker/Mic	1W speaker / No
Sensors	G sensor
I/O	micro-SD, Power Jack, micro-USB
Buttons	Power
Battery	4800 mAh (minimum)
GPS	YES

#### Physical Dimension (Tablet only)

Dimension (W x D x H in mm)	212 x 16.8 x 157
Weight (N.W. in g)	550

#### Dock Station (Optional, DS-210)

USB port	3 x USB 2.0
LAN port	GigaLAN x 1
COM port	2 x DB9
CR port	1
Built-in Printer	3" WIFI thermal printer (200 mm/sec) [DS-210/DS-310]
Tablet charging	YES

#### Accessory (Optional)

TA-220	3T MSR and/or RFID supporting MIFARE Classic 1k & MIFARE Ultralight
TA-300	MSR and/or Fingerprint Sensor
Pistol Grip (PG-200)	Swappable battery module (5000 mAh) & optional 1D or 2D barcode scanner
Hand Strap	Hand Strap for MT-4008A/H
Scanner	1D or 2D barcode scanner embedded in Pistol Grip
Charging Rack (CS-100)	Charging rack for up to 4 x removal battery
Charging Rack (CS-200)	Charging rack for up to 4 x MT-4008A Tablet
Shoulder Strap + 2 <sup>nd</sup> battery (TA-500)	Swappable battery module (5000 mAh)

#### Note:

MT-4008A/R: MT-4008A Tablet + PG-200 Pistol Grip

MT-4008A/H: MT-4008A Tablet + Hand Strap

The Best Companion for  
Mobile Retailing and Hospitality

# MT-4008A

Ergonomic and Versatile Mobile POS

MT-4008A (U.S. Patent 9436226 B2) is specifically created for both retail and hospitality segments. It is an 8" tablet that supports MSR attachment, and can be integrated with the choice of a detachable pistol grip or a hand strap depending on the application. Moreover, an optional dock station allows the device to have the features and functionality as an all-in-one POS.

### Ergonomic Design

The retail package includes a detachable pistol grip (PG-200) with optional built-in 1D or 2D barcode scanner. Its ergonomically designed pistol grip shape handle enables the user to easily carry the tablet.

### Extra Protection

The hospitality package comes with a practical hand strap, which prevents the tablet from dropping on the ground accidentally and eases the user's fatigue during the hours of work.

### Long Hour Operation

MT-4008A is built with advanced power saving technology that provides long battery life for daily operation. However, for store owners who require even longer battery life for more intensive usage, the pistol grip also houses a removable battery that can vastly extend the overall operating time.

### Versatile Function

The optional dock station for MT-4008A integrates a wireless 3" thermal printer and full suite of connectivity options such as Serial ports, USB ports, LAN port and CR port. Once the tablet is integrated with its dock station, an all-in-one POS is instantly at your disposal. MT-4008A offers more than just mobility but versatility.
